

Name: Variya Shreya Hareshbhai

Roll no: 88

Semester: 7

Division: B

Subject: Practical-7 (Application Development using Full Stack)

Subject code: 703

Practical Assignment – 3

Question – 1:

- Develop a user registration form (fields: username, password, confirm password, email, gender, hobbies, upload profile pic, upload other pics) (use text box, radio, checkboxes, file upload) using Express. Form should also contain file upload (single, multiple) with validations.
- In case of invalid data, display errors along with all previous field values.
- In case of all valid fields, display all data and images in a well formatted tabular form.

User Registration Form
